Customer Problem Statement

Problem Statement (PS)	I am (Customer)	I'm trying to	But	Because	Which makes me feel
PS-1	A metro passenger	Book a metro ticket quickly	Manual counters cause long queues and fare mistakes	Ticketing is not digitized or automated	Frustrated and rushed
PS-2	A station manager / operations team member	Run ticketing efficiently	Manual handling is slow and error-prone	There is no automated fare collection or ticket record	Overloaded and unsure of accuracy
